EXHIBIT A

Background

The Orange County Internal Audit Department (IAD) originally established and now runs the Orange County Fraud Hotline as part of its ongoing fraud detection and prevention effort. The Bylaws of the Orange County Audit Oversight Committee, Section VI.c., Scope of Committee’s Authority and Objectives, delegates to the Internal Audit Department fraud policy activities, which includes the operation of the Fraud Hotline. The Hotline was first established September 1, 1994, and after a short period of inactivity during the bankruptcy, was reinstated May 3, 1996, and enhanced and improved in December 2004. The establishment of a Hotline is a best business practice for both private and governmental entities. The County encourages employees to resolve concerns through their normal administrative channel whenever possible. However, the OCIAD Fraud Hotline provides an alternative reporting and investigating avenue to ensure that concerns about possible wrong doings in our County government are properly addressed.

Types of Complaints

The Hotline is intended for County employees, vendors, and the public to report suspected fraud or misuse of County resources by vendors, contractors, or County employees. Violations of County policy are also reported. Fraud is an intentional act that results in the misstatement of financial records or theft of the County’s assets. The misuse of County resources would include, for example the use of a County computer to run an outside business. In instances when non-County callers use the Hotline, their complaints are also processed.

Operates 24/7

The Hotline is monitored live for calls twenty-four hours a day, seven days a week. IAD staff monitor the telephone during business hours and contracted Hotline service professionals monitor the telephone during non-business hours. Callers can leave anonymous information or identify themselves. The Hotline telephone system also provides the callers with a list of Hotline numbers for reporting frauds that are not handled by the County Fraud Hotline such as Welfare Fraud. In processing Hotline calls that are not handled and monitored by IAD such as Welfare Fraud and calls for non-County agencies, IAD refers the caller to the appropriate Hotline, e.g., Social Services Agency Welfare Fraud Hotline, for their investigation. In these cases, IAD logs the calls in the Hotline Control Log, but IAD does not perform any review or monitoring. Hotline reporting can also be made through our web page on the internet. We have created a “Virtual Hotline Form” where an individual can remain anonymous.

Other Hotline Process Enhancements

In addition to IAD enhancing its website to assist anyone wishing to report fraud, other improvements include information on Whistleblower Protection and other Fraud Hotline phone numbers. In addition to IAD maintaining the Orange County Fraud Hotline, other agencies/departments also maintain hotlines. For example, Social Services Agency maintains the Welfare and Child Abuse Hotlines, CEO/Risk Management maintains the Workers’ Compensation and Insurance Fraud Hotlines, and the District Attorney maintains the Consumer Fraud and Economic Fraud Hotlines.
Processing Hotline calls

1. The IAD staff and the contracted service professionals prepare the Hotline Information Form which aides in the capturing of needed information.

2. The IAD staff and the outside service professional assign a unique Hotline control number.

3. All calls received are recorded into the Hotline Control Log.

4. The IAD staff and the contracted service professionals provide the completed Hotline Information Form (by hard copy and email respectively), to the Hotline Senior Audit Manager.

5. The Senior Audit Manager reviews the specifics of the allegation and prepares a letter detailing the complaint.

6. The Internal Audit Department Director and Deputy Director review the information and a formal Hotline Action Request with all relevant information is routed directly by the Director to the agency/department head to acknowledge receipt of the Hotline Action Request within five working days. Depending upon the facts of each allegation, IAD may conduct its own on-site visit and review. The Director, Deputy Director or Senior Audit Manager will discuss with senior management the allegation and the approach, and the status of the agency/departments investigation and determine a course of action for an IAD review if considered warranted by IAD.

7. The agency/department head, to which cases are referred, are required to provide a written report of the investigative steps, the results of the investigation, and corrective action taken.

8. The Senior Audit Manager along with the Director or Deputy Director, upon receipt of the written report from the agency/department head, reviews the report to determine if appropriate action was taken.

9. If the Director is satisfied with the investigation and results, the Hotline case is closed and a closeout letter is sent to the agency/department head. If the Director is not satisfied further action will be proposed.

Communicating the Existence of the Hotline

The existence of the IAD Fraud Hotline is communicated in the following ways:

- All County employees are alerted bi-weekly in the OC Employee Portal (Pay Stub Application).
- Postings in the monthly CEO County Connection newsletter.
- Fraud Hotline posters are displayed in each County department.
- A link on the County and IAD web pages.
- Word of mouth by IAD staff and other County employees.
