We have completed a First Follow-Up Audit of Social Services Agency Revolving Fund Process for the period December 1, 2010 through November 30, 2011. Our audit was limited to reviewing, as of April 30, 2013, actions taken to implement the four (4) recommendations from our original audit report dated June 26, 2012. We conducted this First Follow-Up Audit in accordance with the FY 12-13 Audit Plan and Risk Assessment approved by the Audit Oversight Committee and Board of Supervisors (BOS).

The results of our First Follow-Up Audit are discussed in the OC Internal Auditor’s Report following this transmittal letter. Because satisfactory corrective action has been taken for the four (4) recommendations, this report represents the final close-out of the original audit.

Each month I submit an Audit Status Report to the BOS where I detail any material and significant audit findings released in reports during the prior month and the implementation status of audit recommendations as disclosed by our Follow-Up Audits. Accordingly, the results of this audit will be included in a future status report to the BOS.
