INDEPENDENT AUDITOR’S REPORT

Audit No. 2610

May 23, 2007

Members, Board of Supervisors
Hall of Administration Building
10 Civic Center Plaza
Santa Ana, CA 92701

Pursuant to Government Code §26920(a), we have reviewed the accompanying Statement of Assets Held by the County Treasury as of March 31, 2007 (financial statement) in accordance with the International Standards for the Professional Practice of Internal Auditing issued by the Institute of Internal Auditors. All information included in this financial statement is the representation of the management of the Treasurer’s Office.

The Treasurer prepared a statement showing the amount and type of assets in the County Treasury as of March 31, 2007. Our review included:

1) Counting cash in the County Treasury and confirming cash and investments held on behalf of the Treasurer.
2) Verifying that the records of the County Treasury and Auditor-Controller are reconciled for cash and investment accounts.

Based on our review, with the exception of the matter described in the following paragraph, we are not aware of any material modifications that should be made to the accompanying financial statement prepared on the cash basis, as modified, which is a comprehensive basis of accounting other than United States generally accepted accounting principles.

Management has elected to omit all disclosures included in a financial statement prepared on the cash basis, as modified. If the omitted disclosures were included in the financial statement, they might influence the user’s conclusions about the Treasurer’s assets. Accordingly, this financial statement is not designed for those who are not informed about such matters.
This report is intended for the information of the management of the County of Orange Auditor-Controller. However, this report is a matter of public record and its distribution is not limited.

Sincerely,

Dr. Peter Hughes, CPA
Director, Internal Audit
