SUBJECT: First and Final Close-Out Follow-Up Countywide Audit of Fiduciary Funds:  
Treasurer-Tax Collector, Original Audit No. 1519, Issued April 29, 2016

SCOPE
We completed a First and Final Close-Out Follow-Up Countywide Audit of Fiduciary Funds:  
Treasurer-Tax Collector (T-TC). Our audit was limited to reviewing actions taken as of May 2,  
2017, to implement the three (3) recommendations from our original audit.

BACKGROUND
We found that T-TC had eight fiduciary funds. Our audit of internal controls over the fiduciary  
funds administered by T-TC was performed to ensure the funds were properly administered,  
safeguarded, and maintained in compliance with County policy, procedures, and specific fund  
requirements for the year ended June 30, 2015. Our original audit identified three (3) Control  
Findings.

RESULTS
Our First Follow-Up Audit found that T-TC implemented the three (3) recommendations from  
the original audit. Because the recommendations were implemented, this report represents  
the final close-out of the original audit.

Based on our First Follow-Up Audit, the following is the implementation status of the three (3)  
original recommendations:

Finding No. 1 – No Activity and Reconciliations for Funds 226 and 350 (Control Finding)

Recommendation No. 1: The T-TC evaluate if they can close Funds 226 and 350. If the T-TC  
determines the funds should remain open, they should be reconciled monthly to the General  
Ledger to ensure the funds are accounted for and safeguarded.

Current Status: Implemented. Our First Follow-up Audit found that Funds 226 and 350 were  
deleted by the Auditor-Controller using COFAs 1723 and 1656, respectively. Because of the  
actions taken by T-TC, we consider this recommendation implemented.
Finding No. 2 – Fiduciary Fund Document Lacking Required Elements (Control Finding)

Recommendation No. 2: The T-TC work with the Auditor-Controller to prepare COFAs for Funds 205, 302, 350, 354, and 397 that include all the required elements.

Current Status: Implemented. Our First Follow-up Audit found that COFAs 1724, 1726, 1725 and 1727 for Funds 205, 302, 354 and 397, respectively, include all the required elements and Fund 350 was deleted. Because of the actions taken by T-TC, we consider this recommendation implemented.

Finding No. 3 – No Written Policies & Procedures for Certain Fiduciary Funds (Control Finding)

Recommendation No. 3: The T-TC establish written policies and procedures for processing transactions and reconciling Funds 226, 302, 350, and 397 that are approved by management and that reflect the current processes.

Current Status: Implemented. Our First Follow-up Audit found that the desk procedures for Funds 302 and 397 reflect the current process and were approved by management. Because of the actions taken by T-TC, we consider this recommendation implemented.
