We have completed our Report on Review of the Schedule of Assets Held by the County Treasury as of September 30, 2015. Our final report is attached for your review.

I submit an **Audit Status Report** quarterly to the Audit Oversight Committee (AOC) and a monthly report to the Board of Supervisors (BOS) where I detail any critical and significant audit findings released in reports during the prior month and the implementation status of audit recommendations as disclosed by our Follow-Up Audits. Although there were no findings noted during this review, the results will be included in future status reports to the AOC and BOS.

Additionally, we will request the department to complete a **Customer Survey** of Review Services. The Treasurer-Tax Collector will receive the survey shortly after the distribution of our final report.

Independent Accountant's Report	1

Independent Accountant's Report

December 18, 2015

Pursuant to Government Code Section 26920(a)(1) and (3), and Section 26922, we have reviewed the accompanying Schedule of Assets Held by the County Treasury as of September 30, 2015 (financial schedule). All information included in this financial schedule is the representation of the management of the Office of the Treasurer.

Our review was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and *Government Auditing Standards* issued by the Comptroller General of the United States. A review is substantially less in scope than an examination, the objective of which is an expression of an opinion on the financial schedule, and accordingly, we do not express such an opinion.

A review consists primarily of inquiries of department personnel and analytical procedures applied to financial data. The Treasurer prepared a schedule showing the amount and type of assets held in the County Treasury as of September 30, 2015. Our review included counting cash in the County Treasury and confirming cash and investments held by the Treasurer on behalf of the County and other participants.

Based on our review, with the exception of the matter described in the following paragraph, nothing came to our attention that caused us to believe the financial schedule referred to above is not fairly stated, in all material respects.

This Schedule of Assets was prepared by the Treasurer for the purpose of meeting the requirements of Government Code Section 26920(a) and is prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Accordingly, it is the Treasurer's policy to not recognize trades until the settlement date.

The Office of the Treasurer has its own separate accounting staff and accounting information systems that maintain the Treasury financial records. The Treasurer is responsible for recording and reconciling the cash and investments and also reconciling the Office of the Treasurer's financial systems.

This report is intended for the information of the Board of Supervisors and the management of the County of Orange Auditor-Controller. However, this report is a matter of public record and its distribution is not limited.
